"Your new site looks great! A vast improvement from a few years ago. I was impressed when I reviewed it for Hydrocarbon Processing magazine and you have greatly improved it since then. Congratulations!"

William R. Crowley, President,
Competitive Analysis Technologies
Contributing Editor,
Hydrocarbon Processing Magazine

Advertisements and Training Sponsorships

Refining Online offers opportunities to sponsor online trainings and place advertisements on the site enabling industry organizations a unique marketing opportunity to target key technologies and services to a global refining marketplace. Please contact Astron International for information.
